DURUM

EFFECTIVE DATE: November 1, 2018

Milling quality Durum must be 300 FN (Falling Numbers) or better.
If FN are less than 300, then the price will start at HAD (Hard Amber Durum).

All Durum with 299 – 275 FN will be discounted -\$0.25.

Any Durum with 274 FN and lower will be priced as Feed Wheat.

Each load will be tested for Falling Numbers.

No checks will be issued until FN test results are complete.
